## Basestation Bytes | Summer 2025

Kia ora koutou,

Welcome to our Summer newsletter!

Some highlights for the next few months at Basestation include...

- FREE hot desk - join us on Wednesday 5th February for our Open Day. If you're never tried hot desking with us, this is your chance to try for free for a whole day! [Click here to book](#).

- **Mount Everest Challenge** - 14th February until 4th April 2025 - Join us as we climb Mauao, the Mount, 38 times in 50 days (the equivalent of climbing Mount Everest) to help raise much-needed funds for SPCA Bay of Plenty.

- **DayBreak Festival of Innovation** - 5th March 2025 - Basestation is proud to be supporting the festival by providing event space. Early bird tickets have sold out, but there are still general tickets available - get in quick!

- Last but not least... Steven will be returning from his "long walk" in March 2025.

Did you know that we currently have team office space available, these don't often come up, so be quick if you're interested in securing some all inclusive office space for your company or team - read on for more information. If you're on the lookout for a new way of working, meeting rooms, or event space in 2025, [get in touch with the team for a tour today](#).

Despite any minor disruptions to Durham Street as the new bus stops are installed outside, we're looking forward to an exciting and busy start to 2025.

Mā te wā,

### Meet the Team.....kia ora Craig!

Meet Craig Williams, the newest member of the Basestation team. Craig has been part of our coworking community for many years and is very familiar with all the challenges of starting a business and the benefits of coworking. So, it was logical that when our esteemed leader decided to go for his "long walk" that Craig was the first choice to help cover and be Steven 2.0.

We sat down with Craig to find out more about him...
